Subject: status of review of ND WQS draft ESA 7(d) memo

Hi Erin, thanks so much for your review and thoughtful comments. Attached is the draft ND WQS 7(d) memo with my response to your comments.

I'll revise the paragraph on page 12 regarding the call with FWS, and will revise the sections of this memo based on comments I receive from George Parrish and will send it back to you.

After you've had a chance to review it, I'll send it to Mario for his review and comments and then will send both the action letter and 7(d) memo to Andrew for his review.

I'm getting a new PC on Thursday, so fingers crossed I won't have any tech issues to work through to finalize these documents. 😊

Thanks - and have a great evening!
